

HOW TO HELP YOUR COMMUNITY WITH COVID VACCINATIONS

- Create a volunteer carpool fleet to take people to and from their vaccination appointments.
- Ask your local health department if they can set up a “pop up” vaccination site at your location (or one accessible to the community).
- Ask your local health department if they can provide a mobile vaccination visits to your community.
- Recruit volunteers to help seniors schedule appointments, when necessary.*
- Use trusted representatives to educate and reassure your members about vaccine safety.
- Share the NCBA video with as many people as possible.
- Marshal your resources and influence to be your membership’s best advocate.

**Easily schedule appointment by texting zip code to 438829 or going to www.vaccines.gov.*
